

HEALTH

GOAL: INCREASE ACCESS TO QUALITY, AFFORDABLE HEALTH AND CRISIS INTERVENTION SERVICES.

FOCUS: ACCESS TO AFFORDABLE HEALTH CARE

Individuals have access to affordable preventative, physical, mental, dental and other needed care critical to good health.

STRATEGIES:

1. Increase the number of eligible individuals that are enrolled in a viable health care coverage options.
2. Increase the number of qualified professionals and patient access for medical care needs including underserved needs like mental health, dental care and substance abuse treatment.
3. Provide education programs designed to improve long-term health including navigating the health care system, substance abuse prevention, mental health, wellness, smoking cessation and obesity reduction/ prevention.

FOCUS: SAFE HOME & COMMUNITY

People are safe from violence, crime, emotional and physical abuse.

STRATEGIES:

1. Reduce the impact of violence on individuals and families through safe and accessible emergency shelter and crisis services.
2. Provide education programs to reduce the incidence and impact of family and individual violence including violence prevention, parenting education and public awareness.
