

RETIRE UNITED is your way to stay involved in making a difference in Southern Kentucky

RETIRE UNITED is for anyone in Southern Kentucky who is retired or nearing retirement and wishes to stay involved in their community by contributing their time and talent.

RETIRE UNITED offers many rewarding experiences to both give and receive. With your involvement and input, you can continue to make a difference through United Way of Southern Kentucky.

The goal of the members of RETIRE UNITED is to GIVE, ADVOCATE and VOLUNTEER in order to create a Southern Kentucky where all residents are educated, healthy & financially stable by creating change that will last for generations.

"While retirement may have changed my personal life, the daily needs of others in the community remain unchanged. No matter the phase of your life, it is always the right time to LIVE UNITED. RETIRE UNITED provides the opportunity to have a positive impact in our community."

- Joe Tinius
